Located in the heart of Centro San Miguel in a gated community, this 3 bedroom home is priced under market value at 300,000 USD. The rooftop terrace has fabulous Parroquia views, and offers plenty of outdoor living space with two other patios. The main home has 2 bedrooms and 2 baths. The addition of a full one bedroom casita makes this property a great rental investment opportunity. Residing in one of the most preferred and quiet locations in San Miguel in the La Aldea community of Centro, this home is a hidden treasure.
