This project is called The Street Art Project. We have two units that are under construction.

This project is located in South East San Antonio on 20 de Enero, 2 blocks from Sterling Dickson.

The address is 20 de Enero #20. The new street is directly in front and will be completed in the next 30 days. The 2 homes are scheduled for completion December 15, 2017. These are two separate properties that share a common lot. The properties are 1500--1700 ft.2 (140-159 square meters).

Each home has 2 large bedrooms, 2 full bathrooms and 2 half bathrooms. Each unit has high 9-10 foot ceilings. The bedrooms each have separate bathrooms, the main floor where the living, kitchen and dining rooms each have a half bathroom. The rooftop terraces each have half baths as well.

This home is the street facing with a single car garage. Because it is street facing and has a garage, it's priced at \$279K. That is pre-sale pricing also allows the buyer to assist with finishes, colors, etc
