One of the very few Lots Left in Centro Historico! This 10 x 20 meter lot is sandwiched between all the hot spots San Miguel has to offer: sidewalk cafes, restaurants like Ole Ole, Artesanal Markets of Ignacio Ramirez, the famous Aurora Art and Design Center and is only a flat five-minute-walk to the Parroquia. Located on a private one-way street with little thru traffic and no bus routes, the views from your future terrace are majestic! Lots like these don't last on our market for very long! For the discriminating buyer looking to build a single family home or a multi-unit complex, this lot can suffice both needs.
